AMENDMENT AFTER FINAL UNDER RULE 116

In response to the final Action of July 1, 2002, please amend
this application as follows:

IN THE CLAIMS:

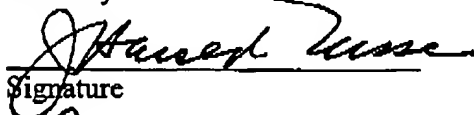

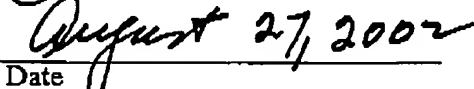

Sub C1
B

1. (Amended twice) A telephone network for a structured site, essentially of a business office type, comprising a local computer network connecting computers at the transmitting and receiving ends of the system and telephone sets connected to said telephone network to provide telephone communication between the parties at the transmitting and receiving ends through said local computer
